<u>Meeting Minutes</u>		
1.	Review of meeting minutes 12/4/13	All
1.1.	Minutes were approved and will be forwarded for posting on the Governance website.	
2.	Parking 2014/2015	Blumenthal Dolly
2.1.	Ms. Blumenthal outlined the issues related to the current parking assignments in the Forcina Parking Garage (Lot #17-upper level and Lot #18-lower level). Currently, Lot 17 is assigned to commuters and Lot 18 is assigned to faculty/staff. There have been numerous complaints by the faculty regarding this assignment and the issue was referred to the Parking Task Force for review and recommendation.	
2.2.	The Parking Task Force conducted surveys of faculty/staff and students regarding parking usage, reviewed parking statistics and parking lot availability and was unable to make a recommendation regarding the use of lot 17. The issue was referred to this Council.	
2.3.	The Council reviewed the information and had a robust discussion regarding many issues surrounding parking including but not limited to graduate assistant parking status, special placards for School of Education faculty, increased commuter demand resulting from a projected increase in the freshmen class for 2014/2015, closure of Norsworthy, loss of parking lots for Campus Town and the rights of faculty, staff and students to preferred parking. The Council voted as follows on three options:	
2.3.1.	Lot 17 should be a full commuter lot – 2 votes	
2.3.2.	Lot 17 should be a full faculty staff lot – 2 votes	
2.3.3.	Lot 17 should be shared commuter and faculty staff – 2 votes	
2.3.4.	In addition a motion was approved that would give spaces in Lot 4 to commuters, with the understanding that there would be no overall decrease in faculty-staff spaces.
