Meeting begins at 1:39

- Minutes for last two meetings unanimously approved
- Minutes edited: minor spelling adjustments
- Minutes reapproved unanimously

Angela Lauer Chong- presented some issues for CSCC in the future (from the office of Student Affairs):

Student conduct code reviewed:

- Policy for dealing with state legislature
- Explore Title IX investigatory process
- Clarify process for administrative deletion of academic records
- Open forums for discussion on changes in college and colleges/universities on a national level

Involuntary Health and Safety withdrawal policy:

- We should look at ‘risk-to-self’ vs. ‘risk-to-others’ cases and evaluate the policies so that it makes sure students can receive the help they need, but also retain their rights
- Review best practices
- Review the policy to make sure there is nothing that discourages students from seeking help

Protection of Children Policy:

- What kind of safety precautions does the college need to put in place to ensure the safety of minors on campus?
- Must decide on interim policy and finalize it

Discussion of changes regarding co-curricular competencies document.

Discussion on possible meeting time adjustment so Amy Hecht can make CSCC meetings.

Meeting adjourned at 2:52pm.
