

## Change of Major Information

January 2021

Students who wish to change majors should review the deadlines on the academic calendar and contact the applicable departments for information on requirements. See also [the Change of Major Policy](#). The following list of minimum requirements and general capacity information, arranged by School, is updated annually.

### School of The Arts and Communication

Department or Program	Requirements	Capacity Information
Art Education	<p>Due to New Jersey Department of Education regulations for teacher certification, this program may maintain change of major requirements beyond the minimums set forth by The College of New Jersey. Applicants for internal transfer to this major are advised to contact the department for requirements in addition to the following internal program requirements:</p> <ol style="list-style-type: none"> <li>1. Grade of C or higher in one of the foundation courses (AAV 102 Visual Thinking; AAV 111 Drawing; AAV 112 2D; AAV 113 3D; or AAV 140 4D)</li> <li>2. Successful portfolio review</li> </ol>	In 2019-2020, the Department Art History and Visual Culture accepted 100% of its qualified internal transfer applicants.
Art History and Visual Culture	<p>Applicants for internal transfer to Art History must meet the following requirement:</p> <p>Grade of C or higher in any two AAH or AAV courses</p>	In 2019-2020, the Department of Art History and Visual Culture accepted 100% of its qualified internal transfer applicants.
Communication Studies	<p>Applicants for internal transfer to Communication Studies must meet the following requirements:</p> <ol style="list-style-type: none"> <li>1. Grade of "C+" or higher in any one of the following courses: COM 103/Introduction to Communication Theory, COM 117/Introduction to Film Studies, COM 118/Introduction to Television Studies, COM 172/Introduction to Media Communication, or COM 242/Interpersonal Communication</li> <li>2. Completed Department Application</li> </ol>	In 2019-2020, the Department of Communication Studies accepted 100% of its qualified internal transfer applicants.
Interactive Multimedia	<p>Applicants for internal transfer to the Interactive Multimedia department must meet the following requirements:</p> <ol style="list-style-type: none"> <li>1. Grade of B or higher in any one of the 100-level foundation courses (IMM 110, IMM 120, IMM 130, or IMM 140)</li> <li>2. Interview with the Department Chair or designee (see the department for interview evaluation criteria).</li> </ol>	Entrance to the major is competitive, pending successful completion of both internal transfer requirements. In 2019-2020, the Department of Interactive Multimedia accepted 100% of its qualified internal transfer applicants.

Journalism and Professional Writing	<p>Applicants for internal transfer to Journalism and Professional Writing must meet the following requirement:</p> <p>A completed change-of-major application</p>	<p>In 2019-2020, the Department of Journalism and Professional Writing accepted 100% of its qualified internal transfer applicants.</p>
Music	<p>Applicants for internal transfer must meet the following requirement:</p> <p>Satisfactory completion of an audition</p>	<p>In 2019-2020, the Department of Music accepted 100% of its qualified internal transfer applicants to its degree programs.</p>
Visual Arts (Fine Art, Graphic Design, or Photo/Video)	<p>Applicants for internal transfer to Visual Arts must meet the following requirements:</p> <ol style="list-style-type: none"> <li>1. Grade of C or higher in one of the foundation courses (AAV 102 Visual Thinking; AAV 111 Drawing; AAV 112 2D; AAV 113 3D; AAV 130 Photo 1; or AAV 140 4D)</li> <li>2. Successful portfolio review</li> </ol>	<p>In 2019-2020, the Department of Art and Art History accepted 100% of its qualified internal transfer applicants.</p>

## School of Business

Department or Program	Requirements	Capacity Information
Accounting	Transfer into the program from another program within the College is based on: <ol style="list-style-type: none"> <li>1. Minimum grade of B in ACC 201</li> <li>2. Essay discussing interest in the program</li> </ol>	Competitive. Most but not all applicants will be accommodated.
Economics	Transfer into the program from another program within the College is based on: <ol style="list-style-type: none"> <li>1. Minimum grade of C in ECO 101/Principles of Microeconomics</li> <li>2. Minimum grade of C in ECO 102/Principles of Macroeconomics</li> </ol>	Open to All Who Meet Criteria
Finance	Transfer into the program from another program within the College is based on: <ol style="list-style-type: none"> <li>1. Minimum grade of B in FIN 201</li> <li>2. Essay discussing interest in the program</li> </ol>	Competitive. This major has limited capacity.
Interdisciplinary Business	Transfer into the program from another program within the College is based upon the following performance standards: <ol style="list-style-type: none"> <li>1. Minimum grade of C+ in BUS 200</li> <li>2. Essay discussing interest in the program</li> </ol>	Open to All Who Meet Criteria
Management	Transfer into the program from another program within the College is based upon: <ol style="list-style-type: none"> <li>1. Minimum grade of C in MGT 201</li> <li>2. Essay discussing interest in the program</li> </ol>	Moderately competitive. Most but not all applicants will be accommodated.
Marketing	Transfer into the program from another program within the College is based upon: <ol style="list-style-type: none"> <li>1. Minimum grade of C+ in MKT 201</li> <li>2. Minimum grade of C in MAT 125, MAT 127, STA 115, or STA 215.</li> </ol>	Moderately competitive. Most but not all applicants will be accommodated.

**School of Education**

Department or Program	Requirements	Capacity Information
<p>Elementary and Early Childhood Education Note: This department includes the Urban Education 5year program</p>	<p>Due to New Jersey Department of Education regulations for teacher certification, the Department of Elementary &amp; Early Childhood Education (EECE) maintains change of major requirements beyond the minimums set forth by The College of New Jersey. Applicants for internal transfer are advised to contact EECE for requirements in addition to the following internal program requirements:</p> <ol style="list-style-type: none"> <li>1. Grade of C+ or higher in PHY 103 or BIO 104 or MAT 105 or MAT 106 or ECE 102 or an approved substitute</li> <li>2. Basic Skills documentation</li> </ol> <p>Note: Students in Elementary, Early Childhood, Urban, Special, and Deaf/Hard of Hearing Education are dual majors. Students must apply separately for the content major and meet the program’s requirements.</p>	<p>Open to all who meet criteria</p>
<p>Secondary Education</p>	<p>Due to New Jersey Department of Education regulations for teacher certification, the Department of Educational Administration and Secondary Education maintains change of major requirements beyond the minimums set forth by The College of New Jersey. Applicants are advised to contact EASE for information about requirements in addition to the following internal program requirements:</p> <ol style="list-style-type: none"> <li>1. Grade of B- or higher in EFN 299 or SED 224</li> <li>2. Basic Skills documentation</li> </ol>	<p>Open to all who meet criteria</p> <p>Students must also be accepted or already approved in one of the following departments for which teaching credentials are given: Biology, Chemistry, Economics, English, History, Mathematics or Physics</p>
<p>Special Education (5year program)</p>	<p>Due to New Jersey Department of Education regulations for teacher certification, the Department of Special Education, Language, and Literacy (SELL) maintains change of major requirements beyond the minimums set forth by The College of New Jersey. Applicants for internal transfer to this major are advised to contact SELL for information about requirements in addition to the following internal program requirements:</p> <ol style="list-style-type: none"> <li>1. Grade of B- or higher in WRI 102</li> <li>2. Grade of B- or higher in SPE 103</li> </ol> <p>Note: exemption from a course is considered equivalent to satisfactory completion of the course.</p> <p>Note: students in Elementary, Early Childhood, Urban, Special, and Deaf/Hard of Hearing Education are dual majors. Students must apply separately for the content major and meet the program’s requirements.</p>	<p>Moderately competitive. Most but not all applicants will be accommodated.</p>

<p>Secondary Special Education (5-Year program)</p>	<p>Due to New Jersey Department of Education regulations for teacher certification, this cross-departmental program maintains change of major requirements beyond the minimums set forth by The College of New Jersey. Applicants must meet the entry requirements for their content major (see English, History, Mathematics, and Biology) as well as the following minimum requirements:</p> <ul style="list-style-type: none"> <li>• 2.5 GPA (2.75 to remain in program, 3.0 to student teach)</li> <li>• B- in SPE 103 (Social and Legal Foundations of Special Ed), EFN 299 (Schools, Communities and Culture), or SED 224 (Adolescent Learning Development)</li> <li>• Complete application including 400-500 word essay</li> </ul> <p>Applicants for internal transfer should contact the program coordinator (peela@tcnj.edu) for an initial meeting.</p>	<p>Highly Limited Capacity</p>
<p>Education of the Deaf &amp; Hard of Hearing (5year program)</p>	<p>Due to New Jersey Department of Education regulations for teacher certification, the Department of Special Education, Language &amp; Literacy (SELL) maintains change of major requirements beyond the minimums set forth by The College of New Jersey. Applicants for internal transfer to this major are advised to contact SELL for information about requirements in addition to the following internal program requirements:</p> <ol style="list-style-type: none"> <li>1. Grade of B or higher in FSP 1XX (Freshman Seminar)</li> <li>2. Grade of B or higher in WRI 102</li> </ol> <p>Note: exemption from a course is considered equivalent to satisfactory completion of the course.  Note: Students in Elementary, Early Childhood, Urban, Special, and Deaf/Hard of Hearing Education are dual majors. Students must apply separately for the content major and meet the program's requirements.</p>	<p>Moderately Competitive. Most but not all applicants will be accommodated.</p>
<p>Early Childhood/ Education of the Deaf &amp; Hard of Hearing (5year program)</p>	<p>Due to New Jersey Department of Education regulations for teacher certification, this cross-departmental program maintains change of major requirements beyond the minimums set forth by The College of New Jersey. Applicants for internal transfer to this major are advised to contact the program coordinators for information about requirements in addition to the following internal program requirements:</p> <ol style="list-style-type: none"> <li>1. Satisfactory completion of ECE 102 (B-) OR BIO 104 (C-) OR MAT 105 (C-)</li> <li>2. Satisfactory completion of DHH 105 (B-) OR FSP 1XX</li> </ol> <p>Note: exemption from a course is considered equivalent to satisfactory completion of the course.  Note: students in Elementary, Early Childhood, Urban, Special, and Deaf/Hard of Hearing Education are dual majors. Students must apply separately for the content major and meet the program's requirements.</p>	<p>Limited capacity</p>

<p>Early Childhood/ Special Education (5year program)</p>	<p>Due to New Jersey Department of Education regulations for teacher certification, this cross-departmental program maintains change of major requirements beyond the minimums set forth by The College of New Jersey. Applicants for internal transfer to this major are advised to contact the program coordinators for information about requirements in addition to the following internal program requirements:</p> <ol style="list-style-type: none"> <li>1. ECE 102 (B-) OR BIO 104 (C-) OR MAT 105 (C-)</li> <li>2. SPE 103 (B-)</li> </ol> <p>Note: exemption from a course is considered equivalent to satisfactory completion of the course.</p> <p>Note: students in Elementary, Early Childhood, Urban, Special, and Deaf/Hard of Hearing Education are dual majors. Students must apply separately for the content major and meet the program's requirements.</p>	<p>Limited capacity</p>
<p>Speech Pathology and Audiology</p>	<p>Applicants for internal transfer to Speech Pathology must meet the following requirements:</p> <ol style="list-style-type: none"> <li>1. Grade of B or higher in FSP 1XX (Freshman Seminar)</li> <li>2. Grade of B or higher in SLP 102 or SLP 108</li> </ol> <p>Note: exemption from a course is considered equivalent to satisfactory completion of the course.</p>	<p>Highly competitive, with limited capacity</p>

## School of Engineering

Department or Program	Requirements	Capacity Information
Biomedical Engineering	Entrance into engineering programs from another program within the College is based upon: <ol style="list-style-type: none"> <li>1. PHY 201 (minimum grade of C)</li> <li>2. MAT 127 (minimum grade of C)</li> </ol>	Highly limited capacity
Civil Engineering	Entrance into engineering programs from another program within the College is based upon: <ol style="list-style-type: none"> <li>1. PHY 201 (minimum grade of C)</li> <li>2. MAT 127 (minimum grade of C)</li> </ol>	Highly limited capacity
Computer Engineering	Entrance into engineering programs from another program within the College is based upon: <ol style="list-style-type: none"> <li>1. PHY 201 (minimum grade of C)</li> <li>2. MAT 127 (minimum grade of C)</li> </ol>	Highly limited capacity
Electrical Engineering	Entrance into engineering programs from another program within the College is based upon: <ol style="list-style-type: none"> <li>1. PHY 201 (minimum grade of C)</li> <li>2. MAT 127 (minimum grade of C)</li> </ol>	Highly limited capacity
Mechanical Engineering	Entrance into engineering programs from another program within the College is based upon: <ol style="list-style-type: none"> <li>1. PHY 201 (minimum grade of C)</li> <li>2. MAT 127 (minimum grade of C)</li> </ol>	Highly limited capacity
Engineering Science	Entrance into engineering programs from another program within the College is based upon: <ol style="list-style-type: none"> <li>1. PHY 201 (minimum grade of C)</li> <li>2. MAT 127 (minimum grade of C)</li> </ol>	Limited capacity

<p>ISTEM content area for School of Education majors</p>	<p>Entrance into this program from another program within the College is based upon meeting or exceeding the following performance standards:</p> <ol style="list-style-type: none"> <li>1. MAT 105 (minimum grade of C)</li> <li>2. Overall cumulative GPA <math>\geq</math> 3.00</li> </ol> <p>Due to New Jersey Department of Education regulations for teacher certification, the department maintains change of major requirements beyond the minimums set forth by The College of New Jersey. Applicants for internal transfer are advised to contact the department for more information.</p>	<p>Moderately competitive. Most but not all applicants will be accommodated. Based on program capacity constraints.</p>
<p>Technology and Engineering Education</p>	<p>Entrance into this program from another program within the College is based upon meeting or exceeding the following performance standards:</p> <ol style="list-style-type: none"> <li>1. TED 280 (minimum grade of C)</li> <li>2. Overall cumulative GPA <math>\geq</math> 2.75</li> </ol> <p>Due to New Jersey Department of Education regulations for teacher certification, the department maintains change of major requirements beyond the minimums set forth by The College of New Jersey. Applicants for internal transfer are advised to contact the department for more information.</p>	<p>Open to all who meet criteria</p>

School of Humanities and Social Sciences

Department or Program	Requirements	Capacity Information
African American Studies	<p>Applicants for internal transfer to African American Studies must meet the following requirements:</p> <ol style="list-style-type: none"> <li>1. Grade of C or higher in AAS 179</li> <li>2. Grade of C or higher in AAS 180</li> </ol>	100% of qualified internal transfer applicants were admitted to this program last academic year.
Criminology	<p>Applicants for internal transfer to Criminology must meet the following requirements:</p> <ol style="list-style-type: none"> <li>1. Successful completion of CRI 100</li> <li>2. Successful completion of STA 115 or STA 215</li> </ol>	100% of qualified internal transfer applicants were admitted to this program last academic year.
English	<p>There are no program-specific requirements for internal transfer to English. Applicants for internal transfer should be in good standing at TCNJ and should submit the change of major forms by the posted deadlines.</p>	100% of qualified internal transfer applicants were admitted to this program last academic year.
History	<p>There are no program-specific requirements for internal transfer to History. Applicants for internal transfer should be in good standing at TCNJ and should submit the change of major forms by the posted deadlines.</p>	100% of qualified internal transfer applicants were admitted to this program last academic year.
International Studies	<p>Applicants for internal transfer to this program must complete an interview to discuss language and study abroad requirements.</p>	100% of qualified internal transfer applicants were admitted to this program last academic year.
Philosophy	<p>There are no program-specific requirements for internal transfer to Philosophy. Applicants for internal transfer should be in good standing at TCNJ and should submit the change of major forms by the posted deadlines.</p>	100% of qualified internal transfer applicants were admitted to this program last academic year.
Political Science	<p>Applicants for internal transfer to Political Science must meet the following requirements:            Grade of C or higher in POL 110/American Government or grade of C or higher in POL 130/International Relations</p>	100% of qualified internal transfer applicants were admitted to this program last academic year.
Psychology	<p>To apply as a pre-major, must submit Essay (<a href="#">see department website for details</a>)             To apply as a major, must have completed PSY 101 (<b>C+ or above</b>)</p>	<p>Limited capacity. In 2019-2020, 60% of internal transfer applicants were admitted to this program. If demand exceeds capacity, preference will be given to applicants with demonstrated good performance in Psychology courses.</p>

Sociology	<p>Applicants for internal transfer to Sociology must meet the following requirements:</p> <ol style="list-style-type: none"> <li>1. Grade of B- or higher in SOC 101</li> <li>2. STA 115 (B- or higher) or STA 215 (C or higher)</li> </ol>	100% of qualified internal transfer applicants were admitted to this program last academic year.
Spanish	<p>Applicants for internal transfer to Spanish must meet the following requirements:</p> <ol style="list-style-type: none"> <li>1. Grade of B- or higher in SPA 211</li> <li>2. Grade of B- or higher in SPA 215</li> </ol> <p>Note: Because students may only be pre-majors for one semester, SPA 211 (B- or above) must be completed before applying for internal transfer.</p>	Open to all who meet criteria. 100% of qualified internal transfer applicants were admitted to this program last academic year.
Women's, Gender, and Sexuality Studies	<p>There are no program-specific requirements for internal transfer to Women's, Gender, and Sexuality Studies. Applicants for internal transfer should be in good standing at TCNJ, and should submit the change of major forms by the posted deadlines.</p>	Open to all who meet criteria. 100% of qualified internal transfer applicants were admitted to this program last academic year.
World Languages and Linguistics	<p>Applicants for internal transfer to World Languages and Linguistics must meet the following requirements:</p> <ol style="list-style-type: none"> <li>1. A minimum grade of C+ in <u>one</u> of the following courses: ANT 213 or LNG 201 or WLC 215</li> <li>2. A minimum grade of B- in the student's first 200 level (or higher) language course.</li> </ol>	Open to all who meet criteria

**School of Nursing, Health, and Exercise Science**

<b>Department or Program</b>	<b>Requirements</b>	<b>Capacity Information</b>
Health and Exercise Science	Applicants for internal transfer to Health and Exercise Science must complete an application. Due to New Jersey Department of Education regulations for teacher certification, the department maintains change of major requirements beyond the minimums set forth by The College of New Jersey. Applicants are advised to contact the department for more information.	The department generally has capacity for all applicants who meet or exceed the requirements.
Nursing	<p>Consideration for transfer into the program is based upon:</p> <ol style="list-style-type: none"> <li>1. NUR 110, Unitary Man &amp; Environment (minimum grade of B) or PSY 101 (minimum grade of B). Completion of NUR 110 is strongly recommended (along with all four science courses) for applicants seeking to enter the program with sophomore status.</li> <li>2. To be eligible for consideration, applicants must have earned a cumulative GPA of 3.0 or higher, completed at least one science course at TCNJ, and earned an average GPA of 3.0 or better in all science courses at the time of application, pending sufficient enrollment capacity.</li> </ol>	The Nursing major has reached maximum capacity for the 2019-2020 and 2020-2021 academic years. Students seeking to enter Nursing are advised to pursue alternative paths, such as an accelerated BSN program upon graduation from TCNJ with another appropriate major (Public Health and Exercise Science are recommended for consideration).
Public Health	<p>Students in good standing seeking to transfer internally may apply to enter the Public Health major if they meet eligibility standards:</p> <ol style="list-style-type: none"> <li>1. STA 115 with a minimum B- grade or STA 215 with a minimum C+ grade</li> <li>2. One of the following major courses with a minimum grade of B- or higher: PBH 240 Introduction to Epidemiology (preferred); PBH 220 Wellness Promotion Across the Lifespan; PBH 375 Population Approaches to World Health; PBH 376 Health Systems, Administration and Policy; PBH 379 Environmental and Occupational Health</li> </ol>	The department generally has capacity for all applicants who meet or exceed the requirements.

School of Science

Department or Program	Requirements	Capacity Information
Biology	<p>Applicants for internal transfer to Biology must meet the following requirements:</p> <ol style="list-style-type: none"> <li>1. Grade of C- or higher in BIO 201</li> <li>2. Grade of C- or higher in CHE 201</li> </ol>	<p>This major has very limited capacity, and simply meeting the minimum requirements is not likely to result in admission. Preference will be given to applicants based on math and science GPA and the number of biology, other science, and math courses completed.</p>
Chemistry	<p>Applicants for internal transfer to Chemistry (any degree track), must meet the following requirements:</p> <ol style="list-style-type: none"> <li>1. Grade of C+ or higher in CHE 201 (General Chemistry I)</li> <li>2. Grade of C+ or higher in PHY 201 (General Physics I)</li> </ol>	<p>Admission to the Chemistry major is competitive, with preference given to Open Options Science students. If there are more qualified applicants than allowed by available capacity, internal transfer candidates will be evaluated using the following criteria: 1) GPA in Chemistry courses and correlate courses for the major (Physics and Mathematics); 2) Number of Chemistry courses or correlate courses completed, and 3) overall GPA.</p>
Computer Science	<p>Applicants for internal transfer to Computer Science must meet the following requirements:</p> <ol style="list-style-type: none"> <li>1. Grade of C or higher in CSC 220 (CS I: Computational Problem Solving)</li> <li>2. Grade of C or higher in MAT 127 (Calculus A) <i>or</i> MAT 128 (Calculus B) <i>or</i> MAT 205 (Linear Algebra)</li> </ol> <p>A student who has already taken CSC 250 and wishes to use this to meet the CSC 220 and CSC 230 requirement must successfully complete an entrance test in C++. If the substitution is approved, the student must take an additional CS option course to meet the Computer Science major requirements. (These are typically students who have taken CSC 250 as non-majors and then transfer into the CS major.)</p>	<p>The Computer Science major has limited capacity, and admission to the major is competitive. Seats will be allocated to eligible applicants based on the following criteria: GPA in Computer Science courses and correlate courses (Mathematics and science); number of Computer Science and correlate courses completed; and overall GPA.</p>
Math & Statistics	<p>Applicants for internal transfer to Mathematics must meet the following requirements:</p> <ol style="list-style-type: none"> <li>1. Grade of C- or higher in MAT 127 (Calculus A)</li> <li>2. Grade of C- or higher in MAT 200 (Proof Writing)</li> </ol>	<p>In 2019-2020, 100% of qualified internal transfer applicants were admitted to this program.</p>
Physics	<p>Applicants for internal transfer to Physics must meet the following requirements:</p> <ol style="list-style-type: none"> <li>1. Grade of C or higher in PHY 201</li> <li>2. Grade of C or higher in PHY 203</li> </ol>	<p>In 2019-2020, 100% of qualified internal transfer applicants were admitted to this program.</p>
